Our Evolution

Our Valued Partners

DIAGEO

Khemani Distilleries Manufacturing Capabilities

State of the art plant for production of Potable Grade Ethyl Alcohol – 96%v/v – 71,000 BL/Day.

Plant is designed with Zero Liquid Discharge (ZLD) system, Recycling & Reuse of wastewater after treatment.

Cogen- Power Plant – 3.75 Mega Watt (MW) running on Agro Waste Bio – Briquette (Bio-Coal) Renewable Energy.

Capturing Co2 and making Food Grade CO2 for Beverages Industries and Dry ice too.

Some of Our Prestigious Brands

Extra Neutral Alcohol Manufacturing Procedure

Premium Ingredient Selection:

- .Sourced from various states of India, our grain selection focuses on high-quality broken rice.
- .Rigorous quality checks ensure only the finest grains are chosen for production.

Cutting-Edge Fermentation:

- .Utilizing top-tier yeast strains, we employ a meticulous liquefaction and fermentation process.
- .This ensures the foundation for our ENA is of the highest quality from the very start.

State-of-the-Art Distillation:

- .Our distillation process boasts 10 columns, a testament to our commitment to excellence.
- .Controlled by the latest DCS System, each step is monitored to perfection.

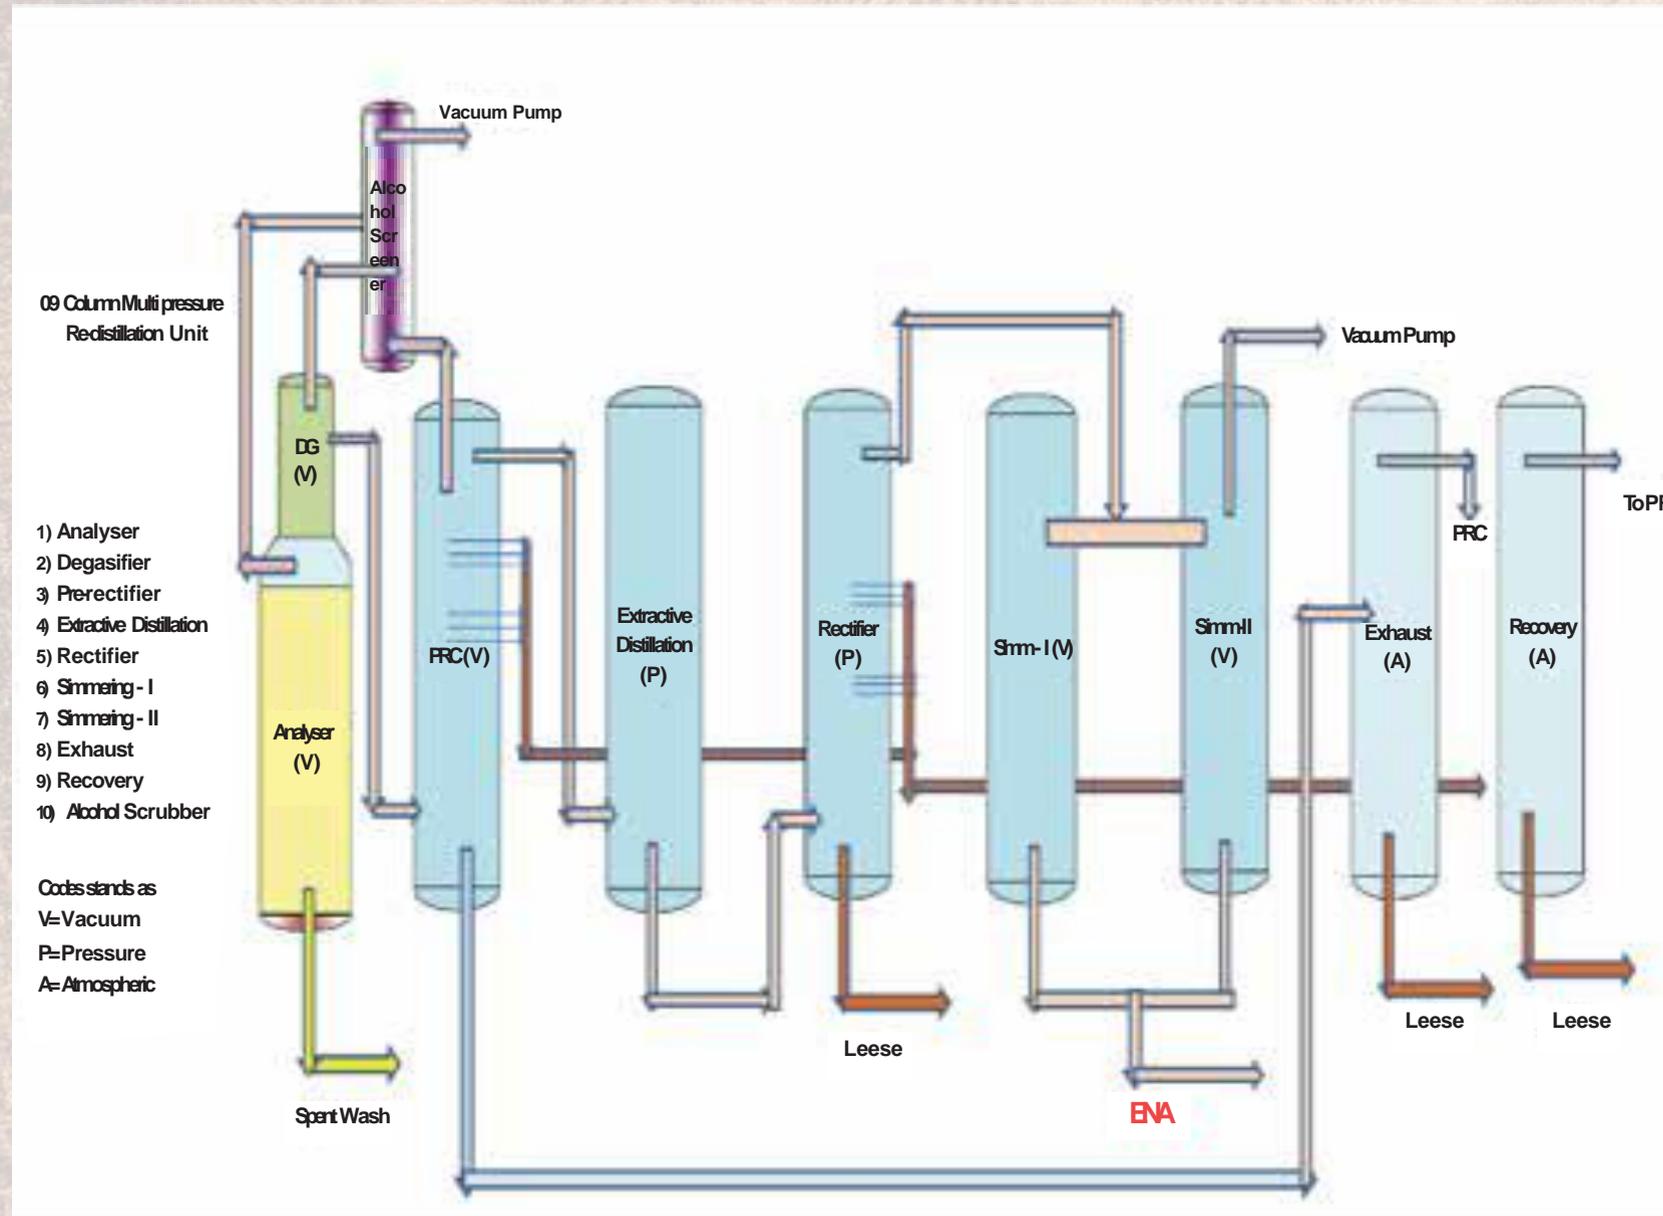

Superior Quality Assurance:

- .The result is a super fine ENA product that consistently meets both national and international standards.
- .Our series of columns guarantees a final product of unparalleled quality.

Crafting Excellence:

- .Khemani Distilleries' facility is equipped with the latest technology for alcohol production.
- .From grain selection to distillation, every step is a testament to our dedication to crafting exceptional spirits.

Schematic Diagram of Distillation Plant

Container Load

20 FCL – 80 Nos of HDPE Drums
 x 250 Ltrs = 20000 Ltrs

40 FCL – 132 Nos of HDPE Drums
 x 250 Ltrs = 33000 Ltrs

KAMANDA

Ginger Whisky

TASTING NOTES

PROFILE

Sweet yet spicy ginger, vanilla, and butterscotch are unleashed on the palate

NOSE

Ginger is dominant with touch of vanilla and butterscotch.

FINISH

Ginger, the star of the show, complete with the mild tingling sensation it produces in the mouth. Whiskey is definitely there with some toffee notes that emerge as the initial burst of ginger fades.

PALATE

Long lasting. Mouth warming and silky finish.
